

Dear Students,

All the exams of the First Half Yearly will be conducted online on E- Classroom.

Here are some general instructions on the assessment process.

1. Once you click on any button on the screen, kindly be patient and give some time for the process to be completed and not press the button again and again. That may freeze your screen. It all depends on the network speed.
2. Once you tick the right answer, make sure that the correct answer is highlighted before moving to the next question.
3. Students have sufficient time to answer the questions, so be calm and do not submit your assessment in a hurry.
4. Switching on tabs is prohibited violation to it will result in "0" marking.
5. After answering all questions, click "Final Submit" button at the bottom of your screen and wait until "Thank you" appears on the screen.
6. Copy and paste is prohibited.
7. Contact the Helpdesk No. 7055622651 in case any problem in getting the OTP.
